Mr Monty Irvin
34 S. Bran St.
San Juan P.R.

Dear Monty:

I should have written you before now, and sent you this form to fill out. You forgot to give it to me before you went away. Send it back to merright away in the enclosed envelope, so I can send your form to you telling how much money I kept from your salary to pay income tax. Employers maust send them to employees by the last of this month, and you in turn must send them to the Collector Of Internal Revenue in the city where you live.

I know you will be glad to hear all The Eagles are out of the service but Day and Doby. I have heard from them all, and they seem to be looking foward to playing with us this year. They are Parks, Ruffin, Manning, Isreal, Brown, and a couple others you do not know. We have a good chance to win the penant this year, if we can keep all the men together.

Mr Manley just returned from Florida. He made arrangements for the team to train in Jacksonville. He said everything seems very nice. We plan to go to camp by the first of April at the latest. When do you expect to return? I guess you fellows who have been playing all winter will want a little rest. Is your family in San Juan with you?

Now please send this form right back to me. Tell me when you write what your plans are, how you are doing, etc. Do you see any of The Eagles in your travels? It has been a pretty cold winter, but we are making out alright.

Everybody send regards. Pearson is playing basketball. Send me any news you think the fans would like to read, so I can have it put in the paper. They ask about the players a lot. Will be looking to hear from you.

Very Truly Yours
